

Accessibility

At KiSP Inc. we are committed to ensuring digital accessibility for all users, including individuals with disabilities.

Using accessibility scanners to test our software applications, we have implemented improvements that align with WCAG 2.2 AA guidelines to ensure our website is accessible and user-friendly.

Our Commitment

1. We aim to provide an accessible and user-friendly experience for everyone.
2. We are actively working to enhance the accessibility of our website.
3. We welcome feedback on any accessibility issues you may encounter and will work promptly to address them.

Feedback and Contact Information

If you encounter any barriers or have suggestions for improvement, please contact us at Support@kisp.com. We value your feedback and are dedicated to ensuring an inclusive experience for all users.
